# Rent-To-Own

36, 48 & 60 Month Contract Options

Our Rent-to-Own program allows our customers to rent the barns with **NO CREDIT CHECK** if purchasing is not an option. There is no credit application to fill out and you are not required to keep the barn.

**Own the Barn** | After all the contract obligations are met, the barn is yours to keep.

**No Credit Checks** | Just make a small, REFUNDABLE security deposit and your barn is on its way.

**Stop Any Time** | Stop renting at any time without affecting your credit rating.

**No Penalty Fees** | Want to pay off your barn early? No problem! We won't charge you any extra fees.

## All About Quality

- All exposed natural wood materials are pressure treated, including skids, floor joists, flooring, T1-11 siding and trim
- 30 Year dimensional shingles or 29 gauge metal roofing
- 2x6 floor joists
- 4x6 ground skids
- 5/8" Pressure treated T1-11 Siding, LP Smartside® or 29-gauge metal siding
- Pressure treated 5/8" flooring or 5/8" tongue and groove Finish Floor
- Floor joists built on 16" centers (12" centers on all garages)
- NO RUST galvanized ring shanked nails
- T1-11 (wood sided) sealed with Pittsburg Paints® 3-year sun-proof weather sealer at NO EXTRA CHARGE (not available when built-on-site)
- LP Smartside® barns, choose polyurethane stain or acrylic paint at no extra charge (not available when built-on-site)
- All barns include hurricane straps at no extra charge
- Wave plates used on all doors and trusses for extra durability
- Doors are equipped with rubber door stops to minimize damage
- Locks and keys provided for all buildings

## Front-to-Back Warranty

**WE STAND BEHIND OUR PRODUCT - PERIOD** | Prairie Built Barns is dedicated to the old-fashioned concepts of honesty, integrity, work ethic and quality.

**First 6 Years** | Prairie Built Barns will cover defects [normal aging & wear excluded] with regard to materials and craftsmanship **AT NO CHARGE TO YOU.**

**Limited Lifetime Warranty** | All of our pressure treated materials have a limited lifetime warranty against termite damage and fungal decay.

Prairie Built Barns, CTH Rentals, LLC, or any of their associates are not responsible for permits, covenant searches, restrictions, setbacks, obstacle removal (including fences), yard damage or underground damage. Please contact your local building inspector or home owner's association for information. Pressure treated wooden blocks for leveling are provided. Concrete blocks may be used, but must be provided by customer and must be prearranged with driver before delivery.

# CHOOSE YOUR SIDING

**It's YOUR building. Have it YOUR way!** At Prairie Built Barns, we offer any style of our regular buildings in any finish for the same low price. Choose Treated T1-11 siding with honey gold stain, our technologically advanced LP Smartside® with your favorite paint color, LP Smartside® with a tough, attractive urethane coating, or high quality color-fast 29 gauge metal siding.

Treated T1-11

Painted LP Smartside®

Urethane LP Smartside®

29 Gauge Metal

## CHOOSE YOUR ROOF MATERIAL

On Treated T1-11 or LP Smartside® buildings, you may choose between high quality dimensional shingles or 29 gauge metal roofing for the same price. All metal sided buildings come with a metal roof only.

## CHOOSE YOUR OPTIONS

NOTE: Features, specifications and options may vary by region. See your local dealer for details.
